# Le Grand Autunois Morvan

The Autunois is a natural region, nestled in the north of South Burgundy, in the foothills of the Morvan. It benefits from a preserved environment and an exceptional location in the heart of Burgundy.

The Autunois offers so much to discover, so let yourself be seduced! Autun, set against wooded hills, dominating the Arroux valley, is the main town.

With its 2000 years of history, it is a city not to be missed in Burgundy. Born of the will of the emperor Augustus, around 15 BC, it is located 30 km east of Mont-Beuvray, at a strategic crossroads of communication routes.
