Ateliers Spire Création - 71490 SAINT-EMILAND
ateliers.spirecreation71@gmail.com

This rural workshop, created by the Spire Création association, has just celebrated its 25th anniversary. Originally set up in Ligny en Brionnais, in the south of Saône-et-Loire between Marcigny and Charlieu, the association welcomed its students and trainees in a renovated stable with whitewashed walls. Some people came from as far afield as Gueugnon, Mâcon, Roanne, Paray le Monial and Marcigny to take part in the sessions and courses.
