Visite d'un habitat bas carbone - CHARBONNAT

71320 CHARBONNAT

, Visit a former Morvan farmhouse: a home in ecological transition. Visit of an old farm in Morvan: a habitat in ecological transition. Since 2018, I have been involved in the renovation of an old building, categorised as an energy sieve, in order to transform it into a habitat that is as passive and resilient as possible, using natural materials. It is as a family, with the help of my partner that we imagine a low-carbon habitat that looks like us. We are aware of the ecological
